

HPPE Liner with Grey PU Coating

SKU: HS41

Key Features

Offers excellent protection to the hands while working with sharper objects, and greater force in harsher environments, because it passes the stringent cut resistance test as per the new standard

Provides protection against thermal risks (heat and/or fire) as the glove passes contact heat test of EN 407:2020 clause no. 4.5.3

The unique HPPE nylon-spandex blended fiber of this glove offers excellent fit, better dexterity and high levels of elasticity
